## Propriety

I have been afflicted for twenty years

with an obstinate skin disease, called by

some M. D.'s Psoriasis, and others Lepra-

ry, commencing on my scalp, and, in

spite of all I could do, with the help of

the most skillful doctors, it slowly but

surely extended, until a year ago this

winter it covered my entire person in the

form of dry scales. For the last three

years I have been unable to do any labor,

and suffering intensely all the time.

Every morning there could be nearly a

dustpanful of scales taken from the sheet

of my bed, some of them half as large as

the envelope containing this letter. In

the latter part of winter my skin com-

menced cracking open. I tried every-

thing, almost, that could be thought of,

without any relief. The 12th of June I

started West, in hopes I could reach the

Hot Springs. I reached Detroit, and

was so low I thought I should have to go

to the hospital, but finally I got as far as

Lansing, Mich., where I had a sister

living. One Dr. treated me about

two weeks, but did me no good. All

thought I had but a short time to

live. I earnestly prayed to die. Cracked

across my ribs, arms, hands, limbs, feet

badly swollen, toe nails came off, finger

nails dead and hard as bone, hair dead,

dry and lifeless as old straw. O my God!

how I did suffer. My sister, Mrs. E. E.

Davis, had a small part of a box of Cuti-

cure in the house. She wouldn't give up.

Said, "We will try Cuticura." Some

was applied on one hand and arm.

Eureka! There was relief. Stopped the

terrible burning sensation from the work

go. They immediately got the Cuticura

Resolvent, Cuticura and Soap. I com-

menced by taking one tablespoonful of

Resolvent three times a day after meals;

had a bath once a day, water so hot

blood heat; used Cuticura Soap freely;

applied Cuticura morning and evening.

Result, returned to my home in just six

weeks from the time I left, and my skin

as smooth as this sheet of paper.
